ABOUT THE PROGRAM!

The Let Your Voice Be Heard Online Public Speaking Mentorship Program is a 1- 3 week online mentorship program hosted by Divine Women Empowerment International.

It's designed to equip both beginner and advanced speakers with the skills needed to elevate their public speaking abilities.

Through practical teachings and strategies, the program fosters a shift in your speaking craft, empowering you to confidently engage and inspire any audience.

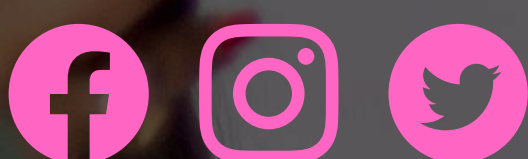

Our vision is to activate the voice within, helping individuals who are passionate about speaking, purpose, and impacting society.

At DWE International, we created this mentorship program to support those ready to launch into the world of public speaking.

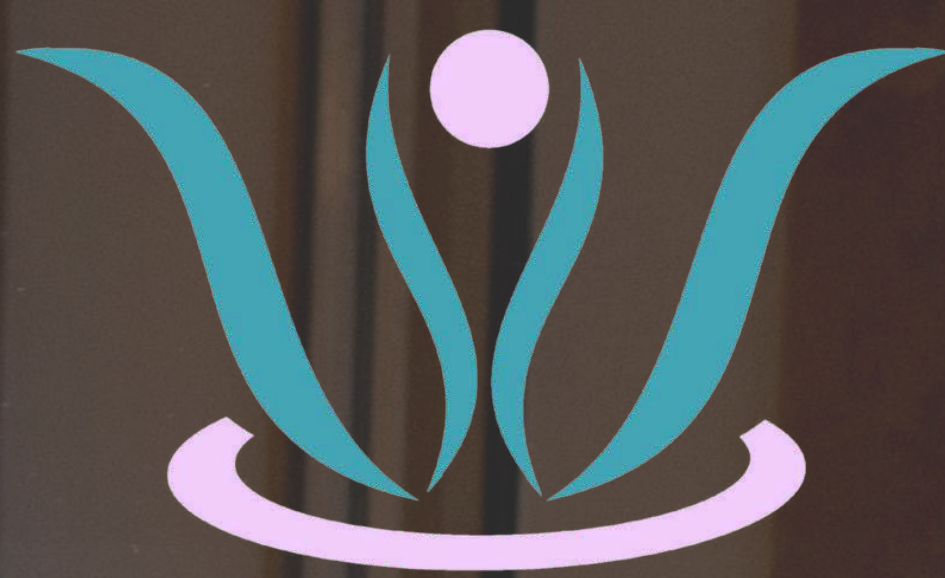

At DWE INT, With a commitment to integrity and excellence, we are dedicated to delivering measurable results that bring out the best in you.

Through this Online program, we will unlock the speaker within you and set you on the path to becoming a powerful and influential voice in the industry.

Discovering & Unlocking the Speaker In You!!!

ABOUT US

DIVINE WOMEN EMPOWERMENT INT.

Divine Women Empowerment International (DWE) is a registered company that focuses on Empowering Women from all walks of life, to give rise to women leadership, skills transfer and to encourage women to live purpose-filled lives despite the odds and challenges.

Every year we plan, execute and host “life-changing” events to empower women holistically; through motivational & life transforming topics centered around healing & spirituality, business & entrepreneurship workshops; confidence, beauty, self-esteem and relationship talks to name but a few.

Divine Women Empowerment goes beyond organizing business networking and lifestyle events; we are a comprehensive organization dedicated to serving clients within the women’s industry.

Our services include tailored mentorship programs designed for women of all ages, from young adults to mature individuals.

We are committed to making a meaningful impact and driving positive change within

the Female community, empowering women to thrive and succeed.

She Strives / She Thrives / She Rises!
